Re: Summer School on European Policy-Making

Poštovani,

Institut za evropske studije, odeljenje Centra za Izuzetnost Žan Mone koji je osnovao flamanski ogranak Univerziteta u Briselu (*Vrije Universiteit Brussel*), a u saradnji sa Univerzitetom u Beču i bečkom Diplomatskom akademijom (*Diplomatische Akademie Wien*), organizuje svoju 9. letnju školu na temu kreiranja javnih politika u Evropi (*Summer School on European Policy-Making*) ovog leta, i to od 2. do 14. jula 2012. godine.

U prilogu ćete naći brošuru o ovom međuniverzitetskom programu za studente i profesionalce koji bi želeli da unaprede svoja znanja o evropskim institucijama, evropskom pravu i procesu kreiranja javnih politika u Evropi.

S poštovanjem,

Steven DE WILDE
First Secretary

THE INSTITUTE FOR EUROPEAN STUDIES

The Institute for European Studies (IES), of the Vrije Universiteit Brussel (VUB) is a Jean Monnet Centre of Excellence in Brussels. It offers an outstanding research-focused environment in the heart of Europe, and specialises on the role of the EU in international affairs. Located close to the main EU institutions, and international organisations, the IES is ideally positioned to organise regular EU-focused events and training, drawing on eminent academics and the expertise of EU practitioners. The IES boasts excellent teaching facilities and a modern working space, right next to the amenities of the VUB Etterbeek campus.
